

Bhanuri Bhanu Prakash

AWS Certified Cloud Practitioner

bhanuprakashbhanuri@gmail.com | LinkedIn | Portfolio | GitHub | +91 81060 40229

Career Objective

I want to start my career in Cloud Computing and use my knowledge of cloud platforms like AWS and IT tools. I am excited to learn new skills, get practical experience, and help create useful and reliable cloud solutions. My goal is to grow as a cloud professional and support the organization in achieving its business goals.

Education

Bachelor's in Electrical and Electronics Engineering	2020 - 2024	CGPA: 6.61
Intermediate	2018 - 2020	CGPA: 9.01
Secondary School Certificate	2017 - 2018	CGPA: 7.80

Technical Skills

- **Programming:** Python
- **Technologies:** AWS Cloud services, Networking
- **Tools:** MATLAB, UiPath Studio, Microsoft Office
- **Operating Systems:** Windows, Linux

Achievements

Certifications:

- AWS Cloud Practitioner Certificate (CLF-C02)
- AWS re/start certificate - Tech Mahindra SMART academy Hyderabad
- Cloud Application Developer - NSDC
- AI-ML Virtual Internship – AICTE & AWS
- Cyber Security Virtual Internship – AICTE

Projects:

• **Resume Ops-AWS Static Resume & View-Tracking**

Engineered and deployed a production static resume site on AWS (S3, CloudFront, Route 53, ACM) and containerized a Go (Gin) view-tracking API with Docker and DynamoDB. Automated CI/CD (GitHub Actions – AWS CodeBuild/CodeDeploy) with CloudWatch logging for reliable, scalable deployments and low-latency global delivery.

• **Smart Energy Storage and Management in PV Cells Including EV**

Designed a smart energy management system integrating PV cells with electric vehicle infrastructure. Focused on optimizing solar energy use and managing EV charging loads efficiently.

Strengths

- Honesty
- Punctuality
- Good Communication skills
- Teamwork
- Adaptability
